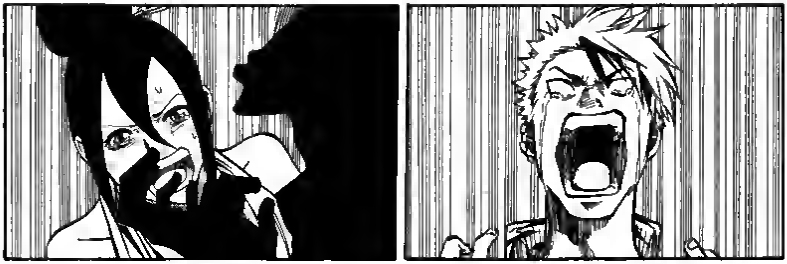
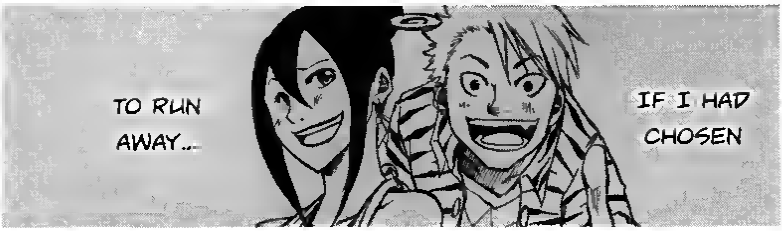
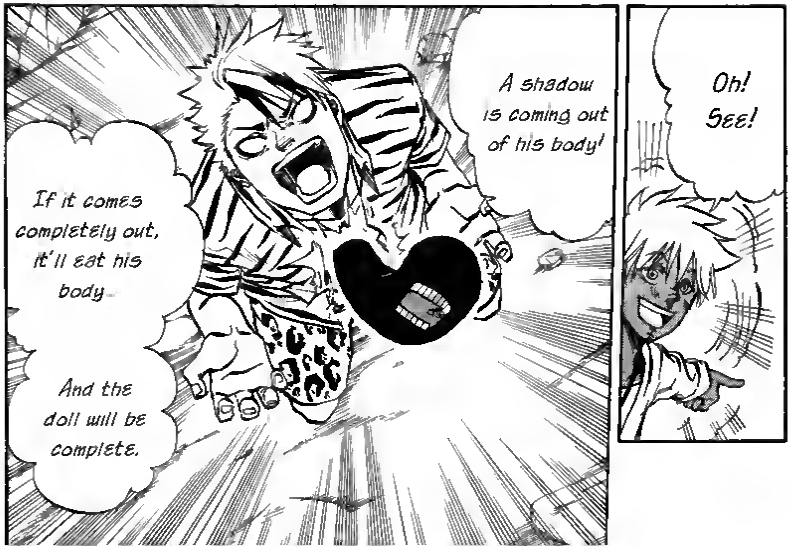
IT'S BECAUSE YOUR JUDGE-MENT CALL WAS WRONG, Y'KNOW?



AT THAT TIME, I...



TO RUN AWAY...
IF I HAD CHOSEN



A shadow is coming out of his body!
If it comes completely out, it'll eat his body...
And the doll will be complete.
Oh! See!

Still, he's becoming a doll really slowly
I got it! I'll help him out!
If this woman dies,
You'll become a doll, right?

AND THAT MOMENT WILL BE YOUR LAST.

BAKAEI SCANLATION

Message from Tora:

Gosh. Ben. It's all your fault! So for my announcement: I'm going to be away for 10 months studying in Japan. So I won't be able to finish this manga until then. Again, I leave it in another cliffhanger, but I can't predict how bad this manga will end considering there's only 3 more chapters left. Sorry about leaving you all hanging, but I gotta keep myself safe! See you next year!
